

**Declaration on REACH - Regulation 1907/2006, SVHC - Candidate List
Confirmation of RoHS conformity (Directive 2011/65/EU)**

08.07.2025

Dear STABILA Partner,

STABILA Messgeräte Gustav Ullrich GmbH, as a manufacturer of mechanical and electronic measuring instruments, is a "downstream user" within the meaning of REACH. The products you purchase from us are not subject to registration as articles within the meaning of REACH. The chemical substances contained in our products are all either:

- In the case of substances subject to registration, already registered by the upstream supplier
- or fall under the exemptions of the REACH Regulation, Annex V, Entry 7 (Guidelines for Annex V).

Furthermore, according to Article 33 of the REACH Regulation, we are obliged to inform our customers if a product supplied by us contains a substance of very high concern (SVHC) in a mass concentration of >0.1%.

(<http://www.each.europa.eu/web/guest/candidate-list-table>)

We confirm that:

- no substance on the candidate list is contained in our products in quantities >0.1%.
- We are in close contact with our suppliers and will inform them immediately if a raw material of our products should be included in the candidate list
- The articles of STABILA Messgeräte Gustav Ullrich GmbH comply with the limit values prescribed by the EU in accordance with the REACH Regulation (1907/2006/EC) Annex XVII
- Do not contain any hazardous substances as defined by Directive 2011/65/EU (RoHS)

Please understand that, for legal and formal reasons, we are unable to complete customer forms.

Yours sincerely

STABILA Messgeräte
